

TECHNICAL DATA

BIT-SOLVE

Heavy Duty Degreaser

DESCRIPTION

BIT-SOLVE is a highly effective, fast-acting heavy-duty cleaner and degreaser formulated specifically for the rapid removal of petroleum-based soils. This product contains a blend of **biodegradable** surfactants, wetting agents and a proprietary solvent mixture to enhance the removal of heavy oil and grease deposits, including oil-sands, bitumen and hydrocarbon-based liquids/residues.

BIT-SOLVE can be used for the removal of:

- Hydrocarbon based liquids
- Bitumen
- Heavy oils and greases
- Mud and sand mixed with heavy oil
- Soils common to drill and service rigs
- Asphaltenes

FEATURES

- NTA and EDTA free
- Low freezing point
- Quick and aggressive penetration
- Non-corrosive
- Pleasant apple scent
- Prevents re-deposition of soils
- Free rinsing
- Surfactants are biodegradable
- Not TDG regulated in containers under 450 L
- Non-flammable (Flashpoint = 61 °C Closed Cup)

DIRECTIONS

This product is most effective when used undiluted.

Heavy Duty Degreasing: Spray product on undiluted and then allow 5-10 minutes to work before rinsing with hot water or steam.

PRECAUTIONS

Do not take internally. Avoid contact with eyes and prolonged contact with the skin.

CONTAINS

Proprietary Blend of Surfactants and Solvents.

FOR INDUSTRIAL USE ONLY
